The Author engages PDP to design, prepare, format, and publish the Work under the PDP imprint in accordance with the terms outlined herein.

This Agreement applies exclusively to print publishing and does not include eBook or digital publication unless separately contracted in writing.

2. OWNERSHIP & COPYRIGHT

The Author retains full and permanent copyright ownership of all manuscript content.

Nothing in this Agreement shall be interpreted as a transfer of copyright ownership to Purpose Driven Publishers (PDP).

PDP retains ownership of all design, formatting, layout structure, cover design, metadata configuration, and production files created for the PDP-published edition.

3. AUTHOR RESPONSIBILITIES

The Author agrees to:

- Submit a final typed manuscript (Word or PDF)

- Review and approve proofs within five (5) business days
- Make all payments on schedule
- Respond promptly to revision requests

PDP does not provide developmental or substantive editing unless contracted separately.

4. LEGAL RIGHTS, EDITION RIGHTS & REPRODUCTION

The Author grants Purpose Driven Publishers (PDP) a non-exclusive license to prepare, format, print, list, and distribute the Work under the Purpose Driven Publishers imprint through approved print-on-demand and retail platforms.

This license does not transfer copyright ownership. The Author retains full ownership of the manuscript and intellectual property contained within the Work.

The edition published under the Purpose Driven Publishers imprint shall constitute the official PDP edition of the Work and includes:

- Assigned ISBN
- Interior formatting and layout prepared by PDP

This edition represents the official publication prepared and distributed by Purpose Driven Publishers.

4.2 Production Files & Design Rights

The Author will receive final print-ready PDF copies of the interior and cover for personal records, author proofing, and approved promotional purposes.

4.3 Author Freedom, Printing Rights & File Use

The Author retains full freedom to print copies of their book using the final print-ready interior and cover files provided by Purpose Driven Publishers.

The Author may print copies locally or internationally for personal use, ministry distribution, or resale and is not restricted to printing exclusively with Purpose Driven Publishers.

Purpose Driven Publishers (PDP) provides these files for printing purposes only.

The design, formatting, and production structure created by PDP remain the intellectual property of Purpose Driven Publishers.

The Author may not upload, distribute, or publish the PDP-produced files through another publishing platform, publisher, or distribution system without prior written consent from PDP.

If the Author chooses to publish the Work independently or through another publisher or platform, a new edition must be created using a new ISBN, new imprint, and newly prepared production files.

4.4 Reproduction Restrictions

The PDP-published edition may not be uploaded, listed, distributed, or published through another publishing platform, publisher, or distribution system using the PDP ISBN, imprint, formatting, or production files without written authorization from PDP.

If the Author republishes the Work independently or through another publisher, a new edition must be created using:

- A new ISBN
- A new publisher imprint
- Newly prepared interior and cover files for the new edition, unless otherwise authorized in writing by PDP

4.5 Cancellation of Permission

The Author may cancel publishing permission through written notice (Email or WhatsApp). Upon cancellation:

1. PDP will request removal of the Work from publishing platforms
2. PDP will cease further production or distribution

Platform removal timelines are subject to third-party processing.

4.6 Publisher Protection

Purpose Driven Publishers reserves the right to remove listings with written notice in cases of:

- Contract breach

- Failure to meet contractual obligations

PDP is not liable for third-party platform delays and is not responsible for royalties earned prior to listing removal processing.

5. ISBN & PUBLISHER IMPRINT

Purpose Driven Publishers assigns the ISBN under the Purpose Driven Publishers imprint.

The assigned ISBN remains the property of Purpose Driven Publishers and may not be transferred, reused,

or applied to another publisher, printer, platform, or edition without written permission from PDP.

ISBN applications are submitted after final publication details are approved by the Author.

The Publisher shall apply for ISBN issuance through the appropriate authority. Processing times are outside the Publisher's control.

Delays in ISBN issuance do not constitute breach of this Agreement.

6. AUTHOR WARRANTIES & CONTENT RESPONSIBILITY

The Author represents and warrants that the Work submitted for publication is the original creation of the Author and that the Author has full legal authority to

grant publishing permission to Purpose Driven Publishers.

The Author further warrants that the Work:

The Author assumes full legal responsibility for the content of the Work.

Purpose Driven Publishers acts as the publishing service provider and does not assume legal responsibility for claims arising from the Author's content.

If any legal claim, dispute, or copyright complaint arises relating to the content of the Work, the Author agrees to indemnify and hold harmless Purpose Driven Publishers from any liability, legal costs, or damages arising from such claims.

PDP reserves the right to suspend production, delay publication, or remove the Work from distribution if credible legal concerns arise regarding the content.

10. DISTRIBUTION & ROYALTIES

1. Distribution

The Book shall be published in print format under the PDP imprint and prepared for distribution through PDP's selected print partner. The primary international retail channel shall be Amazon (print edition).

PDP manages listing setup and metadata submission but does not guarantee sales volume, ranking, placement, or retailer approval.

2. Royalties

Royalties from Amazon.com sales shall be calculated based on net proceeds (gross revenue less printing costs, platform fees, taxes, refunds, returns, and applicable charges).

Royalty Split:

75% to the Author

25% to Purpose Driven Publishers

Royalty reporting shall be issued quarterly.

Royalty payments shall be made within thirty (30) days after the close of each quarter, provided funds have been received and cleared.

Minimum payout threshold: USD \$50. Amounts below this threshold roll over to the next reporting period.

Payments shall be calculated and transferred in USD (or local equivalent at prevailing exchange rate), less applicable bank transfer fees.

PDP is not responsible for delays, withholding, currency conversion fluctuations, tax deductions, account reviews, or payment policies imposed by third-party platforms.

Either Party may request listing removal with written notice.

3. Platform Administration

Purpose Driven Publishers shall retain full administrative control of the publishing platform accounts used to distribute the PDP-published edition of the Work.

Alternative publishing arrangements, including author-managed platform publishing, may be discussed upon request.

The Author acknowledges that listings created under the Purpose Driven Publishers imprint are managed

through the Publisher's publishing system and accounts.

Control of these accounts shall not transfer to the Author. If the Author wishes to independently publish the Work on their own platform accounts, a new edition must be created in accordance with the reproduction and ISBN provisions of this Agreement.

11. DISTRIBUTION OPTION SELECTION

The Author acknowledges that Purpose Driven Publishers offers two distribution models. The Author must select ONE option below:

☐ **OPTION A – PDP-MANAGED DISTRIBUTION**

The Book will be uploaded and managed through Purpose Driven Publishers' publishing platform and

accounts. Royalties shall be distributed in accordance with the royalty provisions set forth in this Agreement.

☐ **OPTION B – AUTHOR-MANAGED DISTRIBUTION**

The Book will be prepared by Purpose Driven Publishers and provided to the Author for upload through the Author's own publishing platform account (including Amazon KDP). The Author shall retain full control of the publishing account and shall receive one hundred percent (100%) of royalties generated through that account, subject to platform policies and fees.

Important: Your selection determines how your book will be distributed and how royalties will be paid. This selection becomes part of the Author–Publisher Agreement.
